FRESHPRO CAMBRO

LABELFRESH KITCHENWARE

The Cambro FreshPro-series sets a new standard in food storage: durable, organized, and designed to extend freshness. These storage solutions are made of high-quality polypropylene and can withstand temperature changes from very cold to warm prep levels, ideal for both cold and hot applications in professional kitchens.

The FreshPro-containers are stackable, transparent and feature clear measurement markings, giving you a quick overview at all times. Thanks to the tight-fitting lids, the contents stay fresh longer and food waste is reduced, ideal for an efficient, professional kitchen.

CLEANING ITEMS PRO-CLEANING

Our Pro-Cleaning cleaning products are all about convenience and efficiency.

In addition to high-quality cleaning products, we also supply the necessary dosing pump systems to connect directly to your dishwashers. When the jerry cans are placed under the machine, it is important that the dosing pump system is transferred correctly. We take care of the entire process and ensure that your cleaning system functions optimally.

JTB COLOUR TRENDS

We are proud to present our inspiring colour trends!

Colour is constantly changing and this season we present a completely updated palette!
Today's trends bring a fresh, bold energy. Expect unexpected contrasts, innovative harmonies and a distinct character that fits the zeitgeist perfectly.

Be inspired by this new generation of shades and give your table presentation a contemporary, distinctive look. Discover the power of colour in its most up-to-date form!

JTB COLOUR TRENDS

PURE CONTRAST

Pure Contrast brings fresh energy and exciting combinations to the table. Bright, light tones are effortlessly combined with warm accents and surprising colour contrasts, creating a vibrant setting.

This trend emphasises balance between freshness and warmth, showing that a table setting can be both bold and sophisticated without being overpowering.

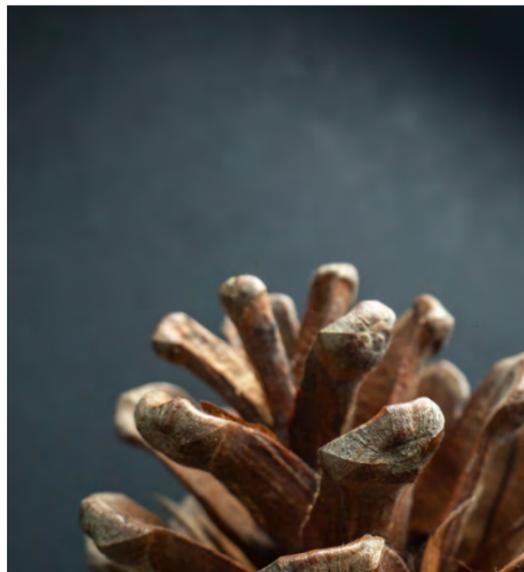

With pure colours, dynamic accents and an open look, create a table that invites to meet, share and enjoy.

JTB COLOUR TRENDS

PURE CONTRAST

JTB COLOUR TRENDS SCULPTED BY NATURE

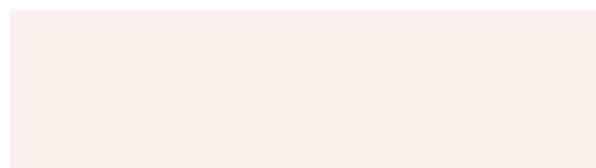

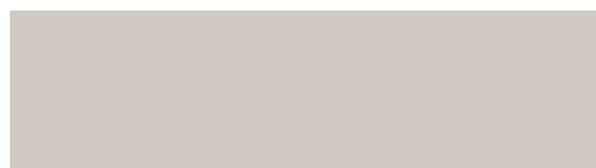

Sculpted by Nature brings a natural look to the table. Soft earth tones, robust shapes and sophisticated, weathered textures create an atmospheric setting where simplicity and character come together.

Emphasising artisanal details and natural materials, this trend shows that a table doesn't have to be lavish to impress.

With pure colours and a calm look, create a inviting table that is perfect for any occasion.
